My dear little children praised be Jesus!

Make reparation to My Son by your love for those who have hatred and blaspheme My Son. Pray for those who refuse to pray to Him and adore Him for those who refuse to adore Him.

Amid increasing evil, deceitfulness, and corruption through the hands of humankind, I will tell you that in the end my Son, Jesus, your only Savior, will be victorious and reign forever. In the end, all evil will be silenced, and destroyed. Do not be fooled, afraid, or discouraged.

This chaos, division, and lies will only worsen because humankind has chosen its fate over the generations. I warned you, My children. I urged you, My children, and outlined what would surface at the hands of revolutionary people, leading towards communism, if humankind did not return to God and place Him at the center of their lives.

I have invited many prophets, mystics, visionaries, evangelists, authors, priests, and nuns as mouthpieces to outline the future of this world if people did not return to God, pray, and love one another. However, many people in the past, including in His Church, and many currently in the world, have refused to respond to His commandments and Divine inspirations.

Now, God the Father will allow destruction to continue. He will test this world now to find the remnant faithful, the authentic children of Light.

My children, I am here to tell you that no matter what happens, even with the sufferings to come, My Son Jesus WILL be victorious. Do not lose Faith or Trust. When the globalists, revolutionists, communists and those seeking power believe they have won the battle, My Son of Justice will conquer and cease all evil for all eternity. St. Michael the Archangel, the Archangels, and the Celestial Choir of Angels will descend and fight the antichrist and fallen angels of hell.

All those Evil doers will be silenced and chained with all the others who have chosen death in hell. All God's children of Light, Love, and Truth will have Life for all Eternity in the Era of Peace. The new Garden of Eden to come.

Remain vigilant dear children. I am with you, and I love you with My Motherly love. Peace.

Ad Deum
